BLUENOSE RV SQUARES

Camp News

The last campout of the season was held at Loch Lomond Campground. We had 15 rigs, 2 couples and 1 single who did not camp but attended the festivities. We had 8 couples attend as guests from the Cumberland Twirlers, 2 couples from the Tantramar Twirlers and 3 international travelers; Ulla & Ulrich Schmidt (square dancers), Marianne & Norbert Picperbeck from Germany and Ronnie & Joe Harris from Key Largo, Florida. As is our tradition we had turkey dinner with all the fixings. I would like to thank Diane Boudreau for coordinating this effort. The meal was great and the leftovers made a great turkey soup for supper. The 5 men who participated in Movember were able to raise \$990. Congratulations. Turkey seems to be the theme of the weekend. We were all entertained by the International Globetrotting Gobblers. Some people will do anything for a LAUGH. Thank you to Betty & Ray Cochran, Sid & Eileen Glennie, Al & Mitzi Durham it was a pleasure for Jim and I to strut our stuff with all of you.
